GUJARAT UNIVERSITY M.sc Fintech (5 Years Integrated)
Semester: 5

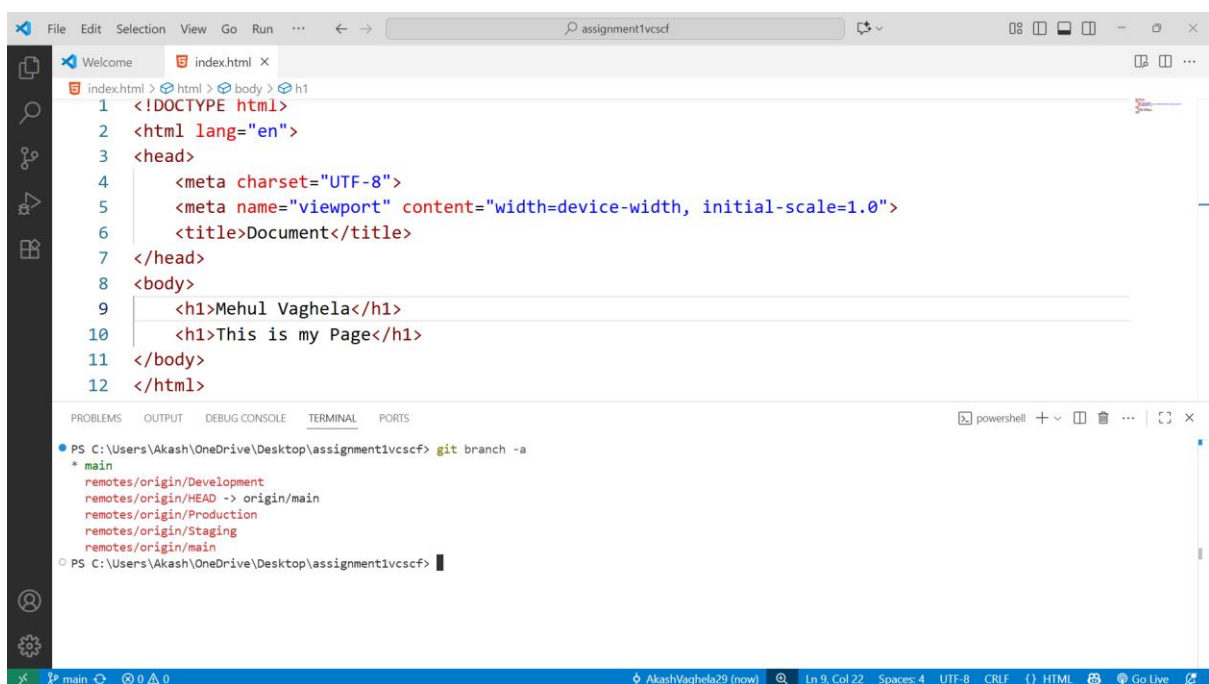

Subject: VCSCF

Enrollment No: 202326800115

Name: Mehul Vaghela

Date: 05/10/2025

Task - 1 git branch -a shows all branches.

The screenshot shows the Visual Studio Code editor with a file named `index.html` open. The file contains the following HTML code:

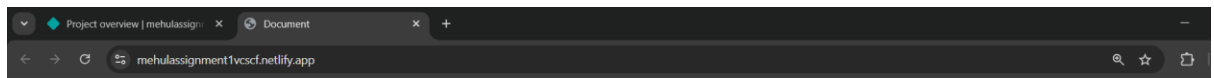

```
1 <!DOCTYPE html>
2 <html lang="en">
3 <head>
4   <meta charset="UTF-8">
5   <meta name="viewport" content="width=device-width, initial-scale=1.0">
6   <title>Document</title>
7 </head>
8 <body>
9   <h1>Mehul Vaghela</h1>
10  <h1>This is my Page</h1>
11 </body>
12 </html>
```

Below the editor, the TERMINAL panel is open, showing the output of the command `git branch -a` in a PowerShell window:

```
PS C:\Users\Akash\OneDrive\Desktop\assignment1vcscf> git branch -a
* main
remotes/origin/Development
remotes/origin/HEAD -> origin/main
remotes/origin/Production
remotes/origin/Staging
remotes/origin/main
```

The status bar at the bottom indicates the current file is `index.html`, the user is `AkashVaghela29 (now)`, and the editor is at `Ln 9, Col 22`.

TASK – 2 Netlify Page is Successfully live.
